Recommendation Letter for Leonie Magnusson

To whom it may concern,

I am writing with great confidence to highly recommend **Leonie Magnusson** for the position of *Full Stack WordPress Developer and Technical Support* on your team. During her tenure at PARSE (parsejournal.com), Leonie consistently demonstrated her ability to approach complex tasks with conscientiousness, curiosity, and infectious positivity. She is not only a talented and reliable developer, but also an excellent communicator who thrives in collaborative environments.

Leonie possesses a diverse and highly developed technical skill set, which she leveraged to deliver significant improvements to our website. Her work was marked by a combination of initiative and responsibility, as she skillfully addressed assigned tasks and proactively identified areas for enhancement. Some key achievements during her time at PARSE include:

- **Researching and implementing legal compliance:** Leonie ensured that our site adhered to current legal guidelines by researching and integrating cookies and a robust data privacy policy.
- **Developing core website pages:** She created new core pages with a thoughtful approach to maintaining the pre-existing logic and design, demonstrating her sensitivity to the site's overall architecture.
- **Enhancing user experience:** Leonie was instrumental in fixing navigational bugs and optimizing the layout, improving the site's user journey with close attention to user needs and behavior.
- **Streamlining workflow processes:** She introduced a clear, structured workflow system that improved task delegation and troubleshooting efficiency, contributing to smoother project execution.

Leonie is also highly receptive to feedback, approaching every opportunity for improvement with openness and enthusiasm. Her balanced combination of creative and technical skills, along with her proactive work ethic, makes her an outstanding asset in any team. As a

colleague, she is a joy to work with, and her reliability and dedication were truly invaluable to our team at PARSE.

I am confident that Leonie will continue to excel in any environment that values technical expertise, innovation, and a positive collaborative spirit. I wholeheartedly recommend her for the Full Stack WordPress Developer and Technical Support position, and I am certain that she will be an exceptional addition to your team.

If you have any further questions or would like to discuss Leonie's contributions in more detail, please feel free to contact me.

Sincerely,

Rose Brander

PARSE Project Coordinator
